P.O. Box 666-999
New York City, NY 20002

Dear {C.F.O. Name} representing BANK NAME,

These are the banking instructions and Letter of Credit. Should there be any questions, please have your "attorneys" handle this matter as they are "legally competent" to handle a negotiable instrument and understand their workings. Ignorance of the Law is no excuse to mis-process This Note.

_____ ("This Note") is a Secured Transferrable Negotiable Instrument meeting all requirements of U.C.C. - Article 3, as a Money Order.

Please stamp the NOTE, the CERTIFIED TRUE COPY of the NOTE, and the two copies of this letter as "POST RECEIVED" with and on the date received. Please deposit the Original NOTE funds in the specified account. Then send the CERTIFIED TRUE COPY of the NOTE and one copy of this letter to me via the address above. If necessary, please stamp the private bond with your BANK MEDALLION SIGNATURE GUARANTEE to ensure its proper acceptance for honor and/or dishonor.

All objections to this payment must be raised within three (3) days of receiving these documents (This Note and this self-referencing Instruction letter) by new legal action indicating why the This Note is not acceptable for payment.

Should This Note be dishonored and/or not be honored, effective on the fourth business day upon signing for this delivery, this letter is further presentment and serving as a NOTICE OF DISHONOR in accord with U.C.C. - Article 3, §3-503: "NOTICE OF DISHONOR! Accept and return for charge-back, set-off, discharge, settlement, an closure of this account. You are using my exemption. Send the voucher to the address above in green immediately. Equality under the law is paramount and mandatory by law. I am competent to handle my affairs. If you believe you are representing me in this matter, you and your heirs/assigns/agents are hereby declared to be incompetent and fired. Without Prejudice and Without Recourse."

It is a pleasure conducting business with you.

By Signing Below I certify: ©
